We print and deliver what you want

Traditional Silk Screen Print:

The advantage of traditional silk screen printing is solid Pantone colour and 100% visible on both sides. Silk screen print can be printed on Bunting Wools fabric cloth and other quality colour cloth.

Digital Print:

We adopt latest digital printing technology for full colour printing at no extra cost. They are typically fabricated using nylon or polyester material only.

Embroidery and Stitch Sewing

With help of digital printing, many school flags are computer created, print and delivered in the easiest way. However, we provide an extra service with embroidery and stitch sewing. This will improve the quality of your school flag, making it unique and different from others.
